

Den Chief Training

Fall 2017

This course is designed for any Boy Scout or Venturer who is currently serving as a Den Chief or interested in becoming a Den Chief. Here's what we will cover:

- The roles and responsibilities of a Den Chief
- Tips for working with Cub Scouts
- Games, songs, and other fun activities that you can bring back to your den

The BSA has an online course at www.scouting.org/Training/Youth/DenChiefTraining.aspx, which provides a good introduction. But trust us, it's a lot more fun to take this training in person! It's a great chance to meet fellow Den Chiefs, share ideas, and "learn by doing." Den Leaders are also welcome to sit in and learn how a Den Chief can help your den.
