

Pinewood Derby Registration and Inspection

District car numbers will be placed in the located space asking to be kept empty.

His name, Den and car number will then be added to the database.

Only the Official BSA Pinewood Derby kit may be used!
Others will be disqualified!

Please keep this space Empty for use by the Pinewood Committee At least 1/2" diameter.

Pinewood Derby Processes

Each station will be posted with a sign
Report to the weight and length station
Move to the wheels and axles station
Report to final inspection.

NOTE
Should a parent wish NOT to remain to run their sons winning car, there are two options.

1. Pack up and leave the derby declining to continue.
2. Determine a return time to continue later. You must not be late.

IF YOUR CAR HAS PASSED INSPECTION!

IF YOUR CAR HAS NOT PASSED INSPECTION!

At final inspection you will be recorder for Attendance.

Report to the Pit Crew and attempt repairs.

You will receive a district car number.

If the car passed, proceed to get a car number.

The district number will be placed at final inspection in the space on the car as shown above.

From final inspection, all cars will be placed in the parking lot of their rank. The cars will be "off Limits" until after the race.

Following each heat, the winning cars will be placed in the winners circle for a second race. Others will be re-run at least once more time.

Winners from each rank will be recognized as will the district winners.
